

On February 11, 2016 during Agro Animal Show in Kyiv the IV annual GMP+ International seminar *Certification Scheme feed GMP +: Challenges and Opportunities for Ukrainian Feed Industry* took place. The organizer of the seminar was GMP+ International. The scope of the seminar covered development of GMP+ International at the world market and also at Ukrainian market presented by Mireille Tulp, program manager marketing & communication of GMP+ International. The activity of GMP+ Academy in Ukraine was also covered. The detailed practice of implementation of GMP+FSA BA1 (production, trade and services) and GMP+FSA BA3 (trade, collection, storage and transshipment) was discussed.

Following the link one can see details of each subject of the seminar.
