

On February 11, 2015 during Agro Animal Show in KyivExpoPlaza Exhibition Center the III annual GMP + International seminar *Certification Scheme feed GMP +: Challenges and Opportunities for Ukrainian Feed Industry* took place.

The seminar was held by Mrs. Tatyana Kopnyak – GMP+ International project manager in Ukraine.

The seminar was started with the speech of the General Director of GMP+ International Mr. Johan Den Hartog. The subject of speeches and presentations can be seen following the link <https://www.gmpplus.org/pagina/8221/seminar-kiev-20150211.aspx>

The report concerning the legal and scientific research presented by Mrs. Galina Kotik *Harmonization of Ukrainian Feed Legislation with EU Standards* has particularly interested the employees of Amiranda Ltd.
